

# Vocal Workshop

**Friday 19 August, 2016  
Gippsland Grammar, Sale**

## The Workshop

We are running a highly interactive workshop with the 2016 Opera Scholars and participating secondary school students. The OSA Scholars are an auditioned group of 23 singers between the ages of 18-25, pursuing careers as professional opera singers. Directors of the program, former opera singers, educators and founders of *Opera in the Alps*, Graeme Wall and Margot Cory-Wall, will deliver vocal warmups and coaching alongside our Trainee Conductor, Rachel Amos. Participants will then work as a full chorus and in small groups with the Scholars teaching them the repertoire, encouraging and supporting good vocal technique in a dynamic, stimulating and supportive environment.

## Performance Opportunity

OSA will be performing at the Stratford Courthouse on Saturday 20 August at 5pm and 8pm. Due to the size of the venue, we are limited in how many students can take part. Each school is therefore able to nominate a selected number of students to be involved. Students must commit to being part of the performance prior to the workshop. You will be advised closer to the event which concert (5pm or 8pm) your students can take part in. Tickets to attend the concert will be available to students and the general public through the Stratford Courthouse.

## Auditions for OSA Summer School Scholarship

At the conclusion of the workshop, auditions will be held for several fully funded places at the OSA Summer School in Beechworth, 15-22 January 2017. Successful applicants must be 18 years of age by January 2017. Please contact Lucy Belfrage if you would like to put forward any candidates.

## Workshop Cost

There is no cost per student for this workshop as OSA has the support of The Linnell/Hughes Trust managed by Perpetual, to fund this workshop. There is a registration fee of \$50 per school that will also cover morning and afternoon tea for the students.

## The repertoire

Repertoire will include: 'Va Pensiero' from Nabucco by Verdi and 'Sunday' from Sunday in the Park by Stephen Sondheim. Further choices will be made once final numbers are received.
